TECHNOLOGY CENTER 1100

Commissioner for Patents  
Washington, D.C. 20231

Sir:

Responsive to the Requirement, mailed July 3, 2002, Applicants respectfully request that the computer-readable form of the Sequence Listing submitted in U.S. Serial No. 08/537,361, filed October 2, 1995, now U.S. Patent No. 6,121,037, be used in the above-captioned application. The computer-readable form of the paper copy of the Sequence Listing submitted in this application, U.S. Serial No. 09/665,358, is identical with that filed in U.S. Serial No. 08/537,361. In accordance with 37 C.F.R. §1.821(e), please use the only computer-readable form filed in that application as the computer-readable form for the instant application. It is understood that the Patent and Trademark Office will make the necessary change in application number and filing date for the computer-readable form that will be used for the instant application. A paper copy of the Sequence Listing is included in the originally-filed specification of the instant application. No new

matter is introduced into the specification of the instant divisional application as filed by using the computer-readable form of the Sequence Listing from USSN 08/537,361.

If Examiner Hayes believes it to be helpful, he is invited to contact the undersigned attorney by telephone at (312) 913-0001.

Respectfully submitted,  
**McDonnell Boehnen Hulbert & Berghoff**
